

## Iglesias, de Nys win marathon

LA TUQUE, Que. — (CP) — The team of Haracio Iglesias of Argentina and Judith de Nys of The Netherlands won the 24-hour marathon relay swim competition here yesterday and shared the \$3,500 prize.

The fourth marathon swim also attracted entries from Canada, the United States and United Arab Republic.

Iglesias, who is Quebec Swimming Federation champion, completed with blonde Miss de Nys 166 laps of Lake St. Louis, here, 150 miles north of Montreal. At times, temperature in the lake reached 80 degrees.

Rejean Lacoursiere of Canada, teamed with Tom Bucy of the U.S., who was last year's winner of the event, was forced to swim for an hour without relief during the race when his team-mate suffered cramps.
