So much to say but so little time

Walking back to her room to prepare for a much earlier start than planned, Diana is calm, adjusting. She looks at the harbor, saying, "the water doesn't look all that calm to me here, but it's all about the end, getting there before the weather window closes."

Change of Plans: The Swim Has Begun!

"Well, at least I won't have a sleepless 'night before the swim' experience and have to get up at 4:30 in the morning," she said, packing up her ready bag. "I'll be well on my way swimming by then."

▼ About this capture

Its a go

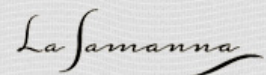

If all weather signs and conditions hold true, Diana Nyad will leap into the waters off the Havana shore at 7a.m. on Sunday.
