First Feeding Since Storm

2:00am Monday September 2, 2013. Swim time: 41:00

Reported by: Candace Hogan

Voyager on VHF radio communicating to the flotilla 41 hours into the swim:

Diana came in for the first time since we've resumed formation, for a feeding. She knows where she is; she understands what's going on. Almost 90 percent [coherent] she asked me specific questions.

Another boat responds: God speed, Diana.
