The Other Shore World Premiere SXSW

If you live in Austin, I want to meet you at SXSW!

One of the most talked about and prestigious film festivals is just around the bend, SXSW in Austin Texas.

The excitement is building because in a short time Timothy Wheeler's brilliant documentary film on me and my Xtreme Dream journey over the past few years, The Other Shore, will be premiering at this SXSW Film Festival.

Tim and I have shared a remarkably parallel trajectory as he has documented my efforts to swim from Cuba to Florida. His experience has equalled mine in intensity. I can tell you that he has somehow managed to capture the adventure in a truly authentic and powerful way.

If you've followed my journey, you won't want to miss this insider's intimate look at everything my team and I were experiencing, stroke by stroke, hour by hour. It's an awe inspiring, poignant, and beautiful examination of not only my life but the larger meaning of drive and determination, passion and purpose, focus and follow through for us all.

DO THESE 2 QUICK THINGS RIGHT NOW:

#1 Get yourselves to the highly anticipated World premiere this Monday night March 11th at 4:30pm. Here are the details:
