Beyonce Lip Syncing

Gang,

"What the heck is the uproar over Beyonce lip syncing at the Inaugural????

Bet you James Taylor is only wishing he had pre-recorded.....and Aretha said she surely she wished she had recorded her Inaugural performance. Yo Yo Ma air celloed his Inaugural performance.

Beyonce delivered a heart-felt, authentic rendition. It was her voice, her unique artistry.

Did we enjoy the performance? Did she knock the performance out of the Mall park? Yes, on all accounts.

These are pros, delivering for the audience on the day, to the best of their abilities. Elements, such as freezing temperatures, dictate their decisions as to how to best come through, for the President, for the crowd. Come on, people, this is edgy, breaking news????"
