Mexico Training: After swimming 13 hours

Posted by Xtreme Dream Team on May 2, 2012 in 2012 Training, Blog | 7 comments

So here's the swimmer and her Head Handler Bonnie after 13 hours in a rough Mexico sea.

OK, I'm not winning any beauty contests but, ice packs on most body parts, we're still laughing!!!

Really enjoyed my week in Mexico last fall, loved the water and fishing. Hope your stay is equally enjoyable and productive. Onward!

Imagine the impact you and Bonnie and your efforts will have on these gentlemen and their families. They will have stories to tell and their daughters will know that they can do more than they ever thought possible. It sure is more than hard work swimming that you are doing. The message is clear .
