I am thankful for the opportunity to have been a part of the Xtreme Dream Team. Diana Nyad is a World Class Athlete, but most of all a **World Class Person**. Mother Nature interrupted the dream in a fierce way, leaving us all concerned for her life. We may not have achieved the extreme objective. However what Diana did achieve was leaving all of us "Supercharged For Life", looking for ways to achieve our goals with the same determination. I've attended several motivational speeches throughout my life, football coaches, billionaires and even past presidents, yet never leaving so motivated.

Thank You,
