Diana's Reaction to the Documentary

Posted by Xtreme Dream Team on Sep 19, 2011 in Blog | 4 comments

Pals in Michigan threw on their [Xtreme Dream t-shirts and hats](#) last night and the De Rocher family of 11 hunkered down in their living room to watch the [CNN documentary](#).

I heard from so very many folks around the country who honored me and my message of living a life of passion, every single day. It made me proud and the overwhelmingly positive response made CNN mighty happy, after the long two years they put in on the film.

Allie, sitting with her aunt Cindy here, says she's sure she's going to be able to do 3 laps in the pool now, instead of 2. As we say here at Xtreme Dream camp, ONWARD!!! That's to all of you out there. ONWARD in every aspect of your lives. Pursue your dreams. Live your dreams. Get high on everyday life. It's a one-way street. We don't get do any day of it twice. ONWARD!

I would have absolutely loved to watch the CNN documentary. Unfortunately for me, I don't get CNN or any of those.  (I do have an Extreme Dream T-shirt which I plan to wear on my 150 mile in a day cycling ride.

Diana,

I watched the CNN documentary and was inspired by your spirit, once again. It was an honor to be a small part of your journey and to meet you first hand. I hope our paths cross again soon. Until that time, keep on inspiring and never stop dreaming! You have given me inspiration and hope! I can never thank you enough for that!
