Key West Harbour Yacht Club

On July 11, 2010, at 60 years of age, Diana Nyad successfully completed her triumphant return to long-distance swimming with a consecutive 24-hour swim through the Gulf Stream's open-water off the coast of Key West, Florida, without a shark cage. While the 24-hour swim is an enormous challenge, it's merely the beginning for Nyad. In August, she will attempt to achieve her life-long dream to be the first person to swim the 103 miles from Cuba to Florida without a shark cage.
